GMI Honored with Two Prestigious Awards!

GMI makes Inc. Magazine's fourth annual 'Inc. 500/5000', an exclusive ranking of the nation's fastest-growing private companies. The list represents the most comprehensive look at the most important segment of the economy: America's independent-minded entrepreneurs and organizations. "The leaders of the companies on this year's Inc. 500/5000 have figured out how to grow

their businesses during the longest recession since the Great Depression," said Inc. President Bob LaPointe. GMI is proud to be part of this showcase of particularly stable and dedicated group of companies.

Once again, GMI has attained a spot on San Diego Business Journal's coveted list of the Top Fastest-Growing Private Companies in San Diego County. This award reflects the high energy and intense focus of the local business community and GMI is honored to be recognized. "GMI is a proven leader in providing facilities services, GMI Vice President, Operations, Alan Wagemester said. "As we approach our 40th anniversary, GMI continues to deliver superior service and earning a spot on San Diego's Business Journal's Top Fastest-Growing Private Companies list more than five times solidifies GMI's role as a mainstay in the industry and reinforces our dedication and true staying power".
