**Guard Management Inc.** is proud to announce they are lending their support for “Walk MS 2010” at San Diego and Carlsbad. Walk MS is the gathering point of the Multiple Sclerosis movement, a community coming together to raise funds and celebrate hope for the future. These fun, festival-like events which include food, drink and entertainment, plus a two to three mile walk, take place on Saturday, April 24th at NTC (Naval Training Center) Park in San Diego and on Sunday, April 25th at LegoLand in Carlsbad. "It is with great pride that we lend the GMI name and services to Walk MS 2010 and eagerly anticipate the most safe and successful events yet. The relationship we have merged with Walk MS 2010 is one that serves to strengthen both the MS Society and the San Diego community," said Ben Cordova, Chief Operating Officer of GMI.

In addition to supplying all security personnel, GMI has started a team, “GMI - We Care about MS” and ask that you celebrate the power of a community coming together to help reach the \$2 million goal by joining our team or making a donation.
