

"Integrated Facility Solutions"
Janitorial • Security • Construction

press release

There are several recent changes to inform you of within the Sales Department of GMI:

Gennivieve Miller will be leaving us effective February 12, 2010. Since Genn joined the GMI Family in October of 2007 as the Business Development Manager for Orange County, she has been a tremendous asset and a valued and trusted employee. We applaud Genn's many achievements and successes and it is with warmest personal regards that we wish Genn all the very best in her future endeavors.

Robert Hurd, Business Development Manager, will be covering the Orange County territory, while maintaining accounts in the Inland Empire area. For those of you that have not had the pleasure of meeting Bob yet, he started at GMI in September of 2009 and with over twenty years experience in the cleaning industry, he offers a wealth of knowledge and expertise. Bob has held managerial positions in both Operations and Sales and most recently was Director of Custodial Services at Opportunity Village, which focused on employing people with intellectual disabilities within the cleaning industry. Prior to that, he was the Custodial Superintendent at McCarran International Airport in Las Vegas, NV. He maintains certifications with ISSA (The World Wide Cleaning Industry Association), CIMS/ICE (Cleaning Industry Management Standard-Industry Cleaning Expert) and IIRCR (Institute of Inspection, Cleaning and Restoration) in Carpet Care, Hard Floor and Stone Care. Bob can be reached via email at rhurd@gmiweb.com or phone at 949/307-0074.

Please do not hesitate to contact me at mturner@gmiweb.com or 858/357-5854 if you have any questions or would like information regarding any of GMI's services. Thank you for the opportunity to be your Integrated Facility Solutions partner!

Margo Turner, CPP
Vice President, Business Development

###

GMI is a regional service provider of a portfolio of services in security, janitorial and construction in the Western U.S.
